

# 2012 Fish 5'6 Wake Surfer

**MSRP: \$299.99**

Length: **5'6"**

Rocker Type: **Flowing Directional Rocker**

Skill Level: **Beginner/Intermediate**

## **COMPANY DESCRIPTION:**

The **Fish** is the wake surfer that ANYONE on the boat can have a blast on. First timers will appreciate the ease of use and buoyancy, while experienced surfers will appreciate the advanced shape, speed, and durability. The most durable wake surfer in Liquid Force's lineup, the Liquid Force Fish Wakesurf Board is a must have for any boat.

**Special features:** Good for beginners // Buoyant // Interchangeable 2+1 Fin Set-Up: adapt the set-up to suit your own riding style

**Construction:** Winged Swallow Tail – Fish Outline: the Fish is designed with a fuller shape/outline to provide maximum float and drive. // Compression Molded Design: maximum Durability // Flowing Directional Rocker: catch free nose, speed and drive through the tail. // Full Rail Shape with Sharp Edge through the Tail: quicker water release for improved speed and glide. // Double Concave Hull: this Hull creates smooth and efficient water flow with extra lift.

**Surface Features:** Grooved EVA Deck Pad: arch bar and kick stop for positive grip and sure-footed traction.

**5'6"**

## **FEATURES & ADVANTAGES:**

- |                              |                        |
