DESCRIPTION:

For all the ladies who are looking to maximize good times on the water, Slingshot offers the 2010 Pearl.

Known for its effortless rideability and comfort, the Pearl delivers unmatched performance that can make any level of riding more fun.

Featuring the bomber quality Dura Base™ makes this board a "must have" for park riding.

FEATURES & ADVANTAGES:

Future Response Technology™ – FRT = Lightweight, more durable core that offers controlled flex that evenly distributes an explosive energy burst when popping off the wake and on ollies, and absorbs shock on hard landings

Park Ready™ Tune = Ability to customize the board rails to desired shape

Dura Base™ = Most durable sliding base available

Taperwall™ = Better edge control, added speed stability, sounder handling in rough water, and more impact resistant

Continuous Rocker = Effortless pop and butter soft landings

4-Hole = Superior boot to board connection

Elliptical Concave = Quicker edge to edge response

Handmade by Slingshot in the USA = Precision finished product using the highest quality materials

Slingshot legendary construction = Bomber quality
