COMPANY DESCRIPTION:

If you're looking for that little extra something to get you over the hump and take your riding to that next level, the **Watson Classic** is the board for you! The name says it all... Classic. It's a truly classic and legendary shape that never gets old. Watson cut his teeth on this board and built his empire into what it is today. It has all of the necessary tools to take your riding to that next level and has done just that for Watson and others like Bob Soven and Daniel Powers. An aggressive 3-stage rocker for that solid pop off the wake, lifted variable edge rail gives you optimal response and control where you need it, and quad vented channels in the tips generate speed and hold at the same time. Take a spin on the Watson Classic to see what you've been missing!

The 2012 **Vantage Open Toe Binding** has the responsive ride quality advance riders demand. With the Flex Level 6-8 The Vantage OT Binding is perfect for big boosting and clean carving. This binding has just the right combination of flexibility and support you need to hammer that new trick. Meet your new BFF the 2012 Vantage OT.
